16 In accordance with the General Order No. 05-03, dated October  
17 28, 2005, Jan P. Johnson, Chapter 13 Trustee has compiled a list  
18 of filed claims in the above referenced case. The following  
19 information regarding claim objections and plan modifications is  
20 from Paragraph 6 of the General Order.

21 (a) Prior to the expiration of the deadline to object to proofs  
22 of claims (see subparagraph (c) below), the Trustee shall  
23 pay claims as specified in the confirmed chapter 13 plan  
24 unless the Trustee is served with an objection to a claim  
25 which is set for hearing within 60 calendar days of its  
service. Until the objection is adjudicated or settled,  
the Trustee shall cease paying dividends on account of the  
objectionable claim. If the objection is overruled, at the  
request of the claimant or the Trustee, the court may make  
provision for payment of any dividends not paid while the  
objection was pending.

26 (b) The Notice of Filed Claims shall be filed and served by the  
27 Trustee upon the debtor and the debtor's attorney, if any,  
28 no later than the longer of 250 calendar days after the  
order for relief or 180 calendar days after plan  
confirmation.

1 (c) Objections to claims shall be filed and served no  
2 later than 60 calendar days after service of the  
3 Notice of Filed Claims. The debtor shall set a  
4 hearing on any objection pursuant to Local Bankruptcy  
Rule 3007-1(d) (1) or (d) (2) on the earliest available  
court date.

5 (d) Nothing herein shall prevent the debtor, the Trustee,  
6 or any other party in interest from objecting to a  
7 proof of claim after the expiration of the deadline  
for objections specified in subparagraph (c) above.  
However, any objection filed after the expiration of  
that deadline shall not, if sustained, result in any  
order that the claimant refund amounts paid on  
account of its claim.

10 (e) If a creditor fails to file a proof of claim within  
11 the time required by FRBP 3002(c) or section 502, the  
12 debtor or the Trustee may file a proof of claim on  
behalf of the creditor pursuant to FRBP 3004. The  
13 time for the filing of such a claim is extended to 60  
calendar days after service on the debtor or his  
counsel of the Notice of Filed Claims.

14 (f) If the Notice of Filed Claims includes allowed claims  
15 which are not provided for in the chapter 13 plan, or  
16 which will prevent the chapter 13 plan from being  
17 completed timely, the debtor shall file a motion to  
18 modify the chapter 13 plan, along with any valuation  
and section 522(f) motions not previously filed, in  
order to reconcile the chapter 13 plan and the filed  
claims with the requirements of the Bankruptcy Code.  
These motions shall be filed and served no later than  
90 calendar days after service by the Trustee of the  
Notice of Filed Claims and set for hearing by the  
debtor on the earliest available court date.

22 (g) Nothing herein shall prevent the debtor, the Trustee,  
23 or the holder of an allowed unsecured claim from  
requesting plan modifications at other times.

24 (h) If the court enters an order valuing a creditor's  
25 collateral and the creditor has filed or later files  
a proof of a secured claim in an amount greater than  
the value established for the collateral, the allowed  
secured claim shall be the value of the collateral  
determined by the court. It is unnecessary for the

1 Trustee or the debtor to file a claim objection in addition  
2 to the motion valuing the collateral. If the creditor has  
3 filed or later files a proof of a secured claim in an  
4 amount less than the value established for the collateral,  
the allowed secured claim shall be the amount claimed by  
the creditor.

5 (i) If the court enters an order avoiding the judicial lien or  
6 nonpossessory, nonpurchase money security interest of a  
7 creditor and the creditor has filed or later files proof of  
a secured claim which identifies as security only the  
avoided lien or security interest, the claim shall be  
allowed as a general unsecured claim. It is unnecessary for  
the Trustee or the debtor to file a claim objection in  
9 addition to the lien avoidance motion.

10

mistakes or omissions with respect to said dates. Debtor(s) or  
Debtor's attorney should review the court file and calculate the

General Order governing Chapter 13 matters.

The following report contains information regarding filed claims and their treatment through the Chapter 13 Plan. Information is characterized as follows:

Not Provided for	Amount of the filed claim not treated in the plan
% to Pay	Amount based on Plan estimates and may vary

Any amounts appearing in "Not Provided for" will not be paid by the Trustee's office unless the plan is modified. A "Not Provided for" amount may not be subject to discharge.

All claims are reported in the full amount of the filed claim. Unsecured claims are paid at the percentage approved in the confirmed plan, which may be less than the reported amount of the claim.

All scheduled debts are included in the following report. If a scheduled creditor has not filed a claim, it is indicated by the phrase "NO CLAIM FILED ON BEHALF OF THIS CREDITOR". If the plan provides for a debt to be paid directly by Debtor(s), it is indicated by the phrase "PLAN PROVIDES FOR PAYMENT OF THIS CLAIM OUTSIDE THE PLAN". If the plan provides for the surrender of collateral to a creditor, it is indicated by the phrase "PLAN PROVIDES FOR THE SURRENDER OF COLLATERAL TO CREDITOR".
